**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
TAURUS ASSET MANAGEMENT COMPANY LIMITED**

**Report on the Audit of Financial Statements**

**Opinion**

We have audited the accompanying Ind AS financial statements of Taurus Asset Management Company Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit (including the total comprehensive income), changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the financial statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Management's Responsibility for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design,

implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss including Other comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid financial statements comply with the IND AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - g. With respect to the other matters to be included in the Auditor's report in accordance with the requirements of Section 197(16) of the Companies Act 2013 read with – Schedule V of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company

to its directors during the year is in accordance with the provisions of Section 197 of the Companies Act 2013.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations on its financial position which would impact its financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 'B' To The Independent Auditor's Report on the Financial Statements of Taurus Asset Management Company Limited of even date.

**Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of TAURUS ASSET MANAGEMENT COMPANY LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Financial Statements of the Company for the year ended 31<sup>st</sup> March 2021 were approved by the Board of Directors as on June 24, 2021.

### **2. Significant Accounting Policies**

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements and in preparing the opening Ind AS Balance Sheet as at April 1, 2018 for the purpose of transition to Ind AS, unless otherwise indicated.

#### **a. Statement of Compliance:**

These financial Statements have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS", under the Companies (Indian accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013 (the Act) as amended thereafter and other relevant provisions of the Act.

#### **b. Basis for preparation and presentation of Financial Statements**

The financial statements have been prepared and presented on going concern basis and under the historical cost convention on accrual basis except for certain financial assets and liabilities which are measured at fair value or amortized cost at the end of each financial year.

The Company is covered in the definition of Non-Banking Financial Company as defined in Companies (Indian Accounting Standards (Amendment) Rules, 2016 As per the Format Prescribed under Division III of Schedule III to the Companies Act, 2013 on 11 October 2013, *the Company presents the Balance sheet, the statement of Profit & loss and the Statement of Changes in Equity in the order of liquidity.* An Analysis of recovery or settlement of assets and liabilities within 12 months after the reporting date and more than 12 months after the reporting date of Non-current is prescribed in note no.45.

The Statement of Cash flows have been prepared under indirect method.

#### **c. Use of Accounting judgments, estimates and assumptions:**

In preparation of financial statements in conformity with recognition and measurement principle of IND AS requires management of the company to make judgment, estimates and assumptions. These judgments, estimates and assumptions affect the reported accounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as the date of financial statements and the reported amount of revenues and expenses during the period. Actual result may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

# **TAURUS ASSET MANAGEMENT COMPANY LIMITED**

**Notes to the Financial Statements for the year ended 31<sup>st</sup> March, 2021**

information about significant areas of estimates uncertainty and critical judgment in applying accounting policies that have the most significant effects to the carrying amounts of assets and liabilities within the next financial year are:

## **(i) Fair Value Measurement**

The Company measures financial instruments and specific investments (other than subsidiary, joint venture and associates), at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as below, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Where there is not feasible, a degree of judgement required in establishing the fair value, judgment includes consideration of inputs such as liquidity risk, credit risk and volatility.

## **(ii) Provision, Liability and Contingencies.**

Provision and liability are recognized in the period when it became probable that there will be a future outflow of funds resulting from past event or operation that can be reasonable estimated. The timing of recognition requires application of judgments to existing fact and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flow at pre-tax rate that reflects current market assessment of the time value money and the risk specific to the liability.

In the normal course of business, contingent liabilities arising from litigation and other claim against the company. Potential liabilities that are possible to be quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

## **(iii) Employee Benefits**

Employee benefits have been recognized in following ways:

### **Short term Employee Benefits**

Employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

**Notes to the Financial Statements for the year ended 31<sup>st</sup> March, 2021**

## Post-Employment Benefits

### Defined Contribution Plan

Provident fund, Employee State Insurance Plan and Family/ New Pension Fund

The Company contributes to a recognized provident fund, employee state insurance plan and family/ new pension fund which is a defined contribution scheme. The contribution are accounted for on an accrual basis and recognized in the statement of profit and loss. The eligible employees of the Company are entitled to receive post-employment benefits in respect of provident fund, employee state insurance plan and family pension fund. The contributions made to state managed retirement benefit schemes dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

### Defined Benefit Plan

#### Gratuity

The Company's gratuity benefit scheme is defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs are deducted. The calculation of the Company's obligation is performed annually by a qualified actuary using the projected unit credit method. The gratuity liability is unfunded.

### Compensated absences

Compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as undiscounted liability at the balance sheet date. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date. The compensated absences liability is unfunded.

The Company recognizes actuarial gains or losses arising on defined benefit plan immediately in OCI as prescribed by Ind AS-19.

## **(iv) Property, plant & equipment**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2018, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment

Property, plant & equipment are stated at cost, net of accumulated depreciation. The cost comprises purchase price including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use.

An item of Property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of Property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

# **TAURUS ASSET MANAGEMENT COMPANY LIMITED**

## **Notes to the Financial Statements for the year ended 31<sup>st</sup> March, 2021**

### **(v) Depreciation**

Depreciation on Property, Plant & Equipments (PPE) is provided for on straight line method using the rates arrived at based on the useful lives as prescribed under Schedule II of the Companies Act, 2013.

The estimated useful lives and residual values of the Property, Plant and Equipment are reviewed at the end of each financial year.

Depreciation on the Property, Plant & Equipments (PPE) added/ disposed off/ discarded during the year is provided from/ upto the date when added/ disposed off/ discarded.

Gain or losses arising from the retirement or disposal of Property, Plant & Equipments (PPE) are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Statement of Profit and Loss.

### **(vi) Intangible Asset**

Intangible Asset is recognized when it is probable that the future economic benefit attributable to the asset will flow to the company and its cost can be reliably measured. Intangible asset are stated at cost of acquisition less accumulated amortized and impairment, if any.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its Intangible Asset recognized as at April 1, 2018, measured as per the previous GAAP, and use that carrying value as the deemed cost of Intangible Asset.

Expenditure incurred on acquisition / development of Intangible assets which are not put/ ready to use at the reporting date is disclosed under Intangible Asset under development. The company amortized the intangible Asset on SLM basis over five year commencing from the month in which the asset is first put to use. The company provides pro-rata amortization from the day the asset put to use.

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains and losses from disposal are determined by the comparing proceeds with the carrying amount and are recognized in the statement of profit and loss when the asset is derecognized

### **(vii) Lease**

Effective 1<sup>st</sup> April, 2019 the Company has adopted Ind AS 116 "Leases" and capitalized assets taken on non-cancellable lease other than short-term leases and leases of low value assets as right-of-use asset and corresponding lease liability during the current financial year. In the Statement of Profit and Loss for the current financial year, the nature of expenses in respect of Operating Lease has changed from lease rent in previous periods to depreciation cost for the right-of-use asset and finance cost for interest accrued on lease liability.

Remeasurement of the lease liability is carried if there is any change in the lease term or in the assessment of an option to purchase the underlying asset. Remeasurement of lease liability is done by discounting the revised lease payments using the revised discount rate. Amount of remeasurement of lease liability is recognized as an adjustment to right-of-use asset.

### **(viii) Revenue recognition**

Revenue (other than those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind ASs.

## **Notes to the Financial Statements for the year ended 31<sup>st</sup> March, 2021**

The Company recognizes revenue from contracts with customers based on a five step model as set out in Ind AS 115.

Management fees charged for the management of portfolios and are recognized on accrual basis at the agreed upon rates with the schemes with reference to their average daily net assets.

Revenue is recognized on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured. Where significant uncertainty exists with regard to realization of revenue at the time of accrual, the underlying revenue is not recognized to that extent. Revenue is measured at the fair value of the consideration received or receivable taking into account contractually defined terms of payment excluding taxes and duties collected on behalf of the Government.

Interest income is recognized on a time proportionate basis taking into account the amount outstanding and the effective interest rate and the amount can be measured.

### **(ix) Foreign Exchange Transaction**

Transactions in foreign currency are recorded at exchange rates prevailing on the date of transaction. Monetary items denominated in foreign currency are restated at the exchange rate prevailing on the balance sheet date. Foreign currency non-monetary items carried in terms of historical cost are reported using the exchange rate at the date of transaction. Exchange differences arising on settlement of transactions and/ or restatements are dealt with in the Profit and Loss Account.

### **(x) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instruments of another entity.

Financial assets, other than equity, are classified into financial assets at fair value through other comprehensive income (FVTOCI) or fair value through profit and loss account (FVTPL), or at amortised cost. Financial assets that are equity instruments are classified as FVTPL or FVTOCI. Financial liabilities are classified as amortised cost category and FVTPL.

#### **Classification**

Classification and measurement of financial assets depends on the business model and results of SPPI test. The Company determines the business model at a level that reflects how Company's financial assets are managed together to achieve a particular business objective. As a second step of its classification process the Company assesses the contractual terms of financial to identify whether they meet the SPPI test.

Based on above, financial assets are either classified as:

- (i) Amortised Cost
- (ii) Fair value through other comprehensive income
- (iii) Fair value through profit and loss

#### **Initial recognition and measurement**

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition or issue of the financial assets and financial liabilities.

## Subsequent measurement

### a. Non-derivative financial instruments

#### (i) *Financial assets carried at amortised cost:*

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

#### (ii) *Financial assets at fair value through other comprehensive income (FVTOCI):*

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as FVTOCI, the subsequent changes in fair value are recognized in other comprehensive income.

#### (iii) *Financial assets at fair value through profit or loss (FVTPL):*

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

## Derecognition:

A financial asset (or, where applicable, a part of a financial asset) is derecognized (i.e. removed from the Company's Balance sheet) when any of the following occurs:

- a) The contractual right to cash flows from financial asset expires.
- b) The Company transfers its contractual rights to receive cash flows of the financial assets and has substantially transferred all the risks and rewards of ownership of the financial assets.
- c) The Company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial assets);
- d) The Company neither transfers nor retains substantially all risk and rewards of ownership and does not retain control over the financial asset.

In cases where Company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the Company continues to recognize such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Company also recognizes an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On derecognition of a financial asset, (except, as mentioned in (b) above for financial assets measured at FVOCI), the difference between the carrying amount and the consideration received is recognised in the Statement of Profit and Loss.

## **Impairment of financial assets**

The Company applies expected credit losses (ECL) model for measurement and recognition of loss allowance on the following:

- (i) Trade receivables and lease receivables
- (ii) Financial assets measured at amortised cost (other than trade receivables and lease receivables)
- (iii) Financial assets measured at fair value through other comprehensive income (FVTOCI).

# **TAURUS ASSET MANAGEMENT COMPANY LIMITED**

## **Notes to the Financial Statements for the year ended 31<sup>st</sup> March, 2021**

In case of trade receivables and lease receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognized as loss allowance.

In case of other assets, listed as (ii) and (iii) above, the Company determines if there has been a significant increase in credit risk of the financial asset since initial recognition. If credit risk of such assets has not increased significantly, an amount equal to 12 month ECL is measured and recognized as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognized as loss allowance.

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset, 12 month ECL are a portion of the lifetime ECL which result from default events that are possible within 12 months from the reporting date.

ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcomes, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

As a practical expedient, the Company uses a provision matrix to measure lifetime ECL on its portfolio of trade receivables. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates. At each reporting date, the historically observed default rates and changes in the forward-looking estimates are updated.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss under the head "Other expenses".

### **Financial Liabilities**

The Company's financial liabilities include borrowings, trade and other payables.

#### **Initial recognition and measurement:**

The Company recognizes a financial liability in its balance sheet when it becomes party to the contractual provisions of the instrument. All financial liabilities are recognized initially at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liability.

Where the fair value of a financial liability at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial liability.

**Notes to the Financial Statements for the year ended 31<sup>st</sup> March, 2021**

## **Subsequent measurement:**

All financial liabilities of the Company are subsequently measured at amortized cost using the effective interest method.

Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest expense over the relevant period of the financial liability. The same is included under finance cost in the Statement of Profit and Loss.

## **Derecognition:**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the Derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

## **(xi) Share Capital**

### *Ordinary Shares*

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are recognized as a deduction from equity, net of any tax effects.

## **(xii) Taxation**

Tax expense comprises of current tax and deferred tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to the items recognized directly in equity in which case it is recognized in other comprehensive income (OCI). The provision for taxation has been made on the basis of the assessable profits determined under the Income Tax Act, 1961 after considering the applicable tax allowances and exemptions. The current tax is calculated in accordance with the Income Tax Act, 1961.

Minimum Alternative Tax (MAT) paid in accordance with the tax laws which give rise to future economic benefits in the form of adjustments of future income tax liability is considered as an asset if there is convincing evidence that the Company will pay normal tax in future. MAT asset is recognized in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Dividend Distribution Tax: - Dividend paid (including tax thereon) is recognized in the period in which the interim dividend is approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

## **Deferred Tax**

Deferred Tax assets and liabilities are recognized on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

*[Handwritten signatures and initials]*

# **TAURUS ASSET MANAGEMENT COMPANY LIMITED**

## **Notes to the Financial Statements for the year ended 31<sup>st</sup> March, 2021**

The carrying amount of deferred tax assets is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow for all or part of the deferred tax asset to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

### **(xiii) Earnings Per Share**

Basic Earnings Per Share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The Company has not issued any potential equity shares, and accordingly, the Basic Earnings Per Share and Diluted Earnings Per Share are same.

### **(xiv) Cash and Cash Equivalents (for purposes of Cash Flow Statement)**

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise Cash at bank, Cash on hand and demand deposits with bank with an original maturity of three months or less from the date of acquisition.

### **(xv) Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit/ loss before exceptional items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

### **(xvi) Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Indian Rupee (INR) as per the requirements.

### **(xvii) Events after reporting date**

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

### **(xviii) Recent Indian Accounting Standards (Ind AS) developments**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2021.

- 34 The debt schemes of Taurus Mutual Fund had invested in Commercial Papers of Ballarpur Industries Limited ("BILT") a group company of Avantha Holding Limited ("AHL") against which full provision was made consequent to default in payment of maturity proceeds during F.Y. 2016-17 which resulted in erosion in net asset value of the mutual fund investment held by the Company. In terms of agreement, AHL agreed to pay the balance amount along with interest in a phased manner. The Boards of Trustee and AMC decided that the recovery proceeds including interest payable by AHL will be paid to all the investors holding investment in the Debt Schemes of Taurus Mutual Fund, when NAV was reduced due to mark-down of BILT Commercial Paper. The amount, if any, received from Taurus Mutual Fund on recovery made from AHL is being treated as miscellaneous income by the company in the year of receipt of such amount. No amount has been received during the current year and previous year.

38 LEASE

Lease as Lessee

The Company has taken certain office premises under lease agreement. The Company has generally entered into a lease of 1-3 years, with an escalation clause of 5 percent on renewal/every one year. The Company has given refundable interest free security deposits under certain lease agreements.

Lease payments are recognised in the Statement of Profit and Loss under "Other Expenses" in Note No. 29 Rent expenses of Rs. 72,53,812 (P.Y. Rs. 1,10,28,497) in respect of Short term/ low value leases. In respect of leases other than short term/ low value leases, Right-of-Use Asset of Rs. 4,69,120 (P.Y. Rs. 10,32,04) and a corresponding lease liability of Rs. 5,31,565 (P.Y. Rs. 10,96,779) is recognised as at 31st March, 2021. Consequently, the lease rent expense in respect of operating lease, is now partially reflected under depreciation on Right-of-Use Asset and partially under Finance Cost as interest on operating lease liability.

Level 1: The fair value of financial instruments traded in active markets (such as equity securities) is based on quoted market prices at the end of the reporting period. These instruments are included in level 1.

Level 2: The fair value of financial instruments that are not traded in an active market (for example unlisted equity shares, mutual funds, quoted bonds) is determined using valuation techniques which maintain the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. Third the case for unlisted equity securities, unquoted mutual funds, unquoted bonds.

#### 47 Financial risk management

The Company's financial assets are investment in equity shares, bonds, mutual funds, security deposit, cash and cash equivalents & financial liabilities comprise trade and other payables only. The Company is an Asset Management Company and has been generating income from Management fees and investments of its surplus funds in equity shares, mutual funds and bonds.

The Company's activities expose to financial risk i.e. Liquidity Risk, Market Risk, Credit risk etc. The Board of Directors reviews and agrees policies for managing each of applicable type of financial risks, which are summarised as below :

##### a) Liquidity risk

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk management implies maintenance of sufficient cash to meet the obligations as and when due.

The Company manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short term and long term liabilities as and when due. Anticipated future cash flows are expected to be sufficient to meet the liquidity requirements of the Company.

The following is the contractual maturities of the financial liabilities:

(Amount in Rs.)

Particulars	Carrying amount (At amortised Cost)	1-12 months	More than 12 months
<b>Non-derivative liabilities</b>			
<b>As at March 31, 2020</b>			
Other financial liabilities	10,96,779	5,65,214	5,31,565
Trade /Other payables	36,17,283	36,17,283	-
<b>Total</b>	<b>47,14,062</b>	<b>41,82,497</b>	<b>5,31,565</b>
<b>As at March 31, 2021</b>			
Other financial liabilities	5,31,565	5,31,565	-
Trade /Other payables	24,68,447	24,68,447	-
<b>Total</b>	<b>30,00,012</b>	<b>30,00,012</b>	<b>-</b>

##### b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

###### (i) Foreign currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company has neither payables & receivables in foreign currency, not holding Foreign Assets and also not entered into transactions in the foreign currency during the year under report, therefore the company activities are not exposed to foreign exchange risk.

###### (ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The interest rate risk exposure is mainly from changes in fixed and floating interest rates. However the company is not exposed to Interest Rate Risk, as the Company has no borrowings at the reporting date.

###### (iii) Other Price Risk

Other Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market trade price/ quoted price/ declared NAV. The Company is exposed to price risk arising mainly from Investment in Equity shares and Debt based Mutual Funds. The investment of the Company in Equity shares is measured at fair value through Profit and loss which falls in medium risk category and investment in debt based mutual funds is measured at fair value through profit or loss which falls in very low risk category.

##### c) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. The Company is not carrying any business activities and thus has no transaction with customer. The Company has given loan/ inter corporate deposit to parties on which company is receiving interest regularly hence the Company is exposed to very low level of credit risk from its lending activity. The deposits with bank and other financial assets are generally not exposed to credit risk.

#### 48 Capital management

The Capital structure of the Company consists of Cash and Cash equivalents and equity attributable to equity shareholders of the company which comprises issued share capital and accumulated reserves disclosed in the Statement of Changes in Equity.

The Company's objectives when managing capital are to :

(i) maximize the shareholder value, and

(ii) safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders.

#### 49 Adoption of New Tax Rate

The Company has decided to exercise the option permitted u/s 115BAA of the Income tax Act, 1961 as introduced by Taxation laws (amendment Ordinance 2019 from the current year) accordingly the provision for income tax and deferred tax balances recorded / re-measured using the new tax rate and resultant impact have been recognized in the current periods audited financial statements. Upon the adoption of reduced Income Tax Rate, the provision of Minimum Alternate Tax (MAT) under Sec 115 JAA and Sec 115 JB(2A) will no longer be applicable to the company, hence the MAT Credit of Rs. 7,92,45,552 as per ITR upto F.Y. 2019-20 (A.Y. 2020-21) stands forfeited. However the impact of the forfeiture of the MAT credit has not been reflected in the statement of profit and loss as the MAT Credit is not appearing in the books of accounts.
