

MFCentral is an online platform / investor services hub, jointly developed and launched by the two MF Registrars, namely CAMS and KFinTech to provide an investor access to his/her unit holdings at an industry level, linked to their Permanent Account Number.

A single window, industry level access, to all unit holdings.

MFCentral aims to elevate the current standards of grievance redressal mechanism. It is expected to bring greater discipline, transparency and speed of resolution for investor grievances.
